

A little help from
our preferred suppliers

Well begun is half done

Sometimes, it's not what you know, it's who you know. Looking for a cleaning company, tech consultant or catering company you can trust? Perfect signage to help guide the way? At The Collection, we have carefully established partnerships with a host of reputable organisations whose services we are happy to recommend in these pages.

Preferred supplier N° 1

Ditt

Office design, building & furnishing

With its team of over 55 dedicated staff, Ditt is the design and building partner of The Collection, ready to design and realise a new office space to your exacting specifications, whether from scratch or using our existing designs devised for The Collection. Because they take an integrated approach and know every Chapter of The Collection inside out, Ditt is uniquely placed to deliver excellence, and has already helped plenty of new members of The Collection with their office design needs.

Preferred supplier N° 2

D&B

Facility services

D&B The Facility Group delivers a wide range of facility services to ambitious corporates and high-quality real estate clients, among them The Collection. Its bespoke services, such as hospitality, security, catering, cleaning, mobility and facility management, all have a major impact on the guest journey. The common denominator is a five star experience and an exacting focus on hospitality.

Preferred supplier N° 8

BGMW

Signage, wayfinding & design

You're already familiar with BGMW's work if you've ever admired the glowing insignia outside a Chapter of The Collection or navigated your way to a meeting room using one of their specially-designed handsome brass icons. BGMW creates real estate communication whose aesthetically pleasing, user-friendly concepts contribute to a clear positioning in the marketplace. The agency advises, invents, positions, develops, designs and produces – adding value and insight every step of the way.

We believe that work should be fun, social, inspiring and fulfilling.

Inspired by the city, its magnificent history, its cherished architectural heritage and the diversity of its people, we aim to contribute to Amsterdam's progressive evolution in everything we do. We continuously strive for the highest possible standards; in sustainable renovation, innovation and craftsmanship, carefully shaping each of our projects into a true masterpiece. Every day we make it our goal to provide the most hospitable experience imaginable, where guests feel welcome and appreciated and where wonderful memories can be created.
